

**UPDATE (5/14/2020): As we respond to the evolving health concerns related to the COVID-19/Coronavirus global pandemic, our priority is the health and well-being of Gitchi-Gami State Trail users, park staff, and the broader North Shore communities.**

**The Gitchi-Gami Trail Association Board has opted to postpone our in-person Annual North Shore Bike Ride until next summer.**

**Please mark YOUR calendars for August 21, 2021, and we will celebrate Biking a Great Trail on our GREATEST lake next summer!**
